2014 marks the 22nd year for the Greeley Farmers' Market. The Market is a great venue for both vendors and customers. Vendors offer a wide variety of locally grown and produced food products including in-season fresh produce, meats, honey, breads and other baked goods, roasted chilies, and more along with great items from local artisans and crafters.

In partnership with University of Colorado Health's Healthy Kids Club and the Make Today Count campaign, the Greeley Farmers' Market is featuring a new monthly program for children ages 3 to 12. The Growing Kids' Program features a Kid's Zone at the Market on the second Saturday of each month from 9:30 to 11:30 with kid-oriented activities focused on healthy eating.

Each child participating will receive a special \$2 coupon to spend at the Market on fruits and vegetables and a reusable shopping bag.
